### VPK Registration Information

In the spring of 2005, the governor of Florida signed a bill stating that the State of Florida will pay for 540 hours of instruction for any four year old (must be four by Sept. 1, 2018) who enrolls in an approved pre-kindergarten center. LCA offers a 177 day school year; therefore the state will pay for three hours of instruction per day.

Registration - You must register your child with the Early Learning Coalition of Florida's Gateway. Call 1-866-752-9770 to set up a registration appointment. Once you have registered with the Coalition, they will give you a Certificate of Eligibility. We must have this certificate by August 1, 2017. Please do not delay in registering your child for this program.
